**PROCEDURES FOR USE OF U.S. COURTHOUSE/COURTROOMS BY NON-RELATED
ADMINISTRATIVE AGENCIES**

1. Requesting agency must contact Kathy Stutzman, Courtroom Services Supervisor at 208.334.9327 or Shannon Fuller, Chief Deputy at 208.334.9464. Kathy and/or Shannon will send/fax requesting agency formal request form to complete and return. Once received, we will evaluate request with Court calendar and determine what space may be available. Generally, the only space we can consistently and securely offer such requests is either the **Visiting Judge Courtroom 1**, located on the 6th floor, or the **ADR/Hearing Room**, located on the 6th Floor.
2. If we can accommodate request, Kathy/Shannon will contact the Marshal's Office at 208.334.9462 to notify of agency/dates/contact information. Agency personnel and any participants in proceedings will NOT be issued any kind of building identification/keys/parking access, etc. All visitors MUST proceed through security when entering the James McClure Building and check-in with the Intake area of the Clerk's Office located on the 4th Floor when they arrive. They will then be escorted to the area that has been designated for use. Additionally, when visitors leave, they need to check-out with the Intake area on the 4th Floor so we can confirm courtroom/hearing room has been left secure.
3. We are not able to provide any staff support to requesting agencies. Additionally, and pursuant to our internet use policy, such agencies will not be given access to our Intranet and/or CM.ECF system. We would also ask that agencies limit the use of courtroom technology where possible and to notify court staff as outlined in this procedure for any technical difficulties.
4. Any materials/equipment needed by the requesting agency should accompany the requesting agency on the date and time of event. In situations where the requesting agency may need to have such items delivered to the Court ahead of time, they MUST specify the 4th Floor Intake area on requests and pick up any such items when they check-in. We will NOT be able to transport materials/equipment to and from the courtroom/hearing room. Additionally, materials should arrive no more than one day prior to proceeding(s). Space does not allow us to store items.
5. In the rare event an agency has requested the use of a courtroom/hearing room, and we determine the need for such courtroom/hearing room by one of our own visiting judges/staff, the requesting agency will be relocated to an alternate location. We will make every effort to find a

suitable location in these circumstances.

6. Hours for use of Court space by agencies must be between the hours of 8:00 a.m. and 5:00 p.m. This allows for screening by Court Security Officers and check-in at our Intake area.
7. The presiding official from the requesting agency shall be responsible for the security and integrity of the court facility. He/she must keep parties involved in proceedings out of the secure hallways and areas of the building. These include private chambers and restroom areas. There are ample facilities in the public hallways of the building. Any concerns regarding security should be immediately directed to the Marshal's Office at 208.1334.9462.
8. Should an issue arise with any requesting agency that calls into question the treatment of our facility, staff or customers by said agency, future requests will be denied. Our priority is to meet the needs of those involved in Federal District and Bankruptcy matters. We strive to provide the highest level of customer service to our visitors and expect the same regard from agencies using our facilities.
9. Any questions regarding such requests should be directed to Kathy Stutzman, Courtroom Services Supervisor at 208.334.9327, Shannon Fuller, Chief Deputy at 208.334.9464 or to Cam Burke, Court Unit Executive at 208.334.1371. It is the intent of these procedures to clearly and efficiently schedule the use of our facilities for outside administrative agencies as space allows on a case-by-case basis. Further, we wish to minimize the impact and involvement with such requests by our staff. Therefore, it is imperative that all requests be channeled as described above. Parties should NOT be contacting individual judges and/or judges' staffs directly for such requests.

By signature below, we acknowledge and agree to be bound by the above procedures when requesting/using facilities in the U.S. District Court - District of Idaho, James A. McClure Federal Building. We also understand that the Court reserves the right to deny any such request, at any time, and for any reason.
